Sir:

**REQUEST FOR RETURN OF FEES CONVERTED BY PATENT OFFICE**

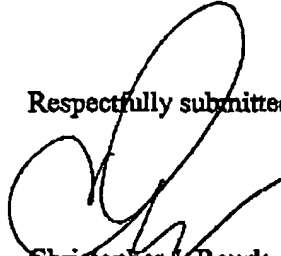

On July 29, 2005, the United States Patent and Trademark Office converted \$200 from deposit account 50-0530, without any authorization and contrary to the explicit directions contained in a transmittal from the attorneys of record for the subject matter, Cohen, Pontani, Lieberman & Pavane, to use their enclosed check for all charges pertaining to the issuance of the above-referenced patent. After spending an extensive amount of time researching this conversion of funds, I have determined that the funds were taken from deposit account 50-0530 without authorization, contrary to the direct directions of the attorneys of record, and by the PTO's sole and exclusive act. Therefore, this written request is being submitted in order for the converted funds to be returned. As such, although the undersigned has nothing at all to do with this matter other than having spent time trying to determine the entity that was responsible for the conversion of funds from deposit account 50-0530, the request for return of the converted funds is hereby made in writing, as that is apparently

the only way to get these funds returned.

If any impediment to the return of the fees that were converted by the PTO remains after consideration of this request, a telephone interview with the Examiner is hereby requested by the undersigned at (214) 939-8657 so that such issues may be resolved as expeditiously as possible.

Dated: August 2, 2005

Respectfully submitted,
